

REMARKS

Enclosed herewith is an amended Appeal Brief which is in accordance with the preferred format. In addition, the Summary of the Claimed Invention section has been expanded to separately summarize claims 1, 7 and 10, all of the independent claims in the subject application. Furthermore, the Arguments section has been expanded to separately include arguments based on claims 1 and 7, as well as arguments based on claim 10.

Appellants believe that this amended Appeal Brief is now proper, and entry thereof is respectfully requested.

Respectfully submitted,

by /Edward W. Goodman/
